**Into the complex mechanical symphony
of the world, the joyous music of awareness
is subtly blended. This acute perception
given only to man fills voids.
bridges gulfs of understanding
and adds a new dimension to the excitement of
existence.**

Laughing children,
fresh grass,
the discovery of an insect
camouflaged by the bark of a tree,
*the exuberance of spring
and the soft loneliness of autumn
are among the myriad sensations
awareness lights in our souls.*

**Awareness means commitment and struggle
but with it sings the fibre of hope
and the essence of fulfillment for every man...**

The 1969 Watchtower tries to reflect changing attitudes in a changing world. Through the use of varied techniques in graphic arts we have attempted to convey a message of "awareness." I'd like to thank my imaginative staff for helping to accomplish this.

The Beverly Hills Board of Education wants the best school system that can be built—a system that is second to no other in the country.

The Board of Education believes that a superior individual scholastic achievement should be the rule rather than the exception in the Beverly Hills Schools. It expects genuine educational leadership from the school administration and wants a teaching staff composed of distinctly superior individuals who will set high standards of achievement for all students. The Board of Education desires that the program of education be such that it will challenge the best students as well as others to achieve the maximum of their individual capacities.

Dr. F. Williard Robinson, Principal

Dr. Robinson has been actively at work this year on Flexible Scheduling. The program will alter nearly every aspect of school operation, bringing changes in curriculum content, teaching methods, class organization, and school staffing. The primary emphasis of the program will be independent study and research. During his independent study time, a student will be able to go to a special resource center to do research work or receive help from a department teacher. The Board of Education has given its enthusiastic endorsement of the plan which will be phased in over a 2-year period starting in September.

Counseling

The Guidance Department is eager to help every student make the most of the opportunities in the rich curricula offered and achieve the best record possible. To this end, the student is provided with an expertly trained counselor who is available every day during the school year. Students and parents are invited to confer with the counselor and to discuss the pupil's record so that his future program may be outlined. Each counselor provides an atmosphere of warmth and understanding in which to plan for high school and college careers.

Creativity of curriculum and excellence of teaching staff combine harmoniously to produce Beverly's nationally known English department. Major emphasis is placed on coherent writing and speaking. Logical, clear thinking, objective analysis of literary works, and reading comprehension are also stressed. A sequential pattern of composition writing is followed throughout the four years covering expository, narrative, descriptive, and persuasive approaches. Literary selections are introduced with a balance of classic and modern and a variety of genre, theme and time period. This department is concerned with each student and his needs and strives to encompass all individual requirements. The honors and Advanced Placement programs are outstanding and are devised to turn out an intellectually well rounded person. There are classes in learning improvement, journalism, and creative writing as well.

Business Education

Every year, hundreds of students learn to type and take shorthand and gain experience in operating duplicating machines, switchboards, and auditing machines in Beverly's rapidly growing Business Education Department. This department offers almost universal application for the skills taught. All the latest machines are available for practical experience.

Technical Arts

The Technical Arts Department is a finely drawn program instructing in skills such as architecture, auto mechanics, technical drawing, engineering, electronics, printing, wood technology and telecommunications.

New to the Department, telecommunications provides an opportunity for students to study the operation and maintenance of television cameras and video recorders. The department is concerned mainly with providing exploration and self discovery through the practical application of technical knowledge.

Social Studies

One of the main aims of the social studies department is helping to give students a broad understanding of the development of our institutions and social environment so that they may be better able to adjust to rapidly changing conditions. Great importance is placed upon becoming independent thinkers and useful citizens while developing critical thought and tolerance of opposing ideas. These classes are particularly fine for the students preparing for careers in law, government service or foreign service, social work, teaching, journalism and any other field where one must be constantly aware of the problems in a changing society.

The Girls' P.E. Department aims not only to improve skills and deepen interests which girls already have, but to create new interests and to safeguard health. It attempts to have every girl participate in planning her own program, setting her own goals and outlining the steps by which she can achieve these goals. Through daily experience it tries to enable every girl to grow in self-direction.

Boys' P.E.

The Boys' Physical Education department places important emphasis on the development of skills in tennis, badminton, swimming, diving, track, basketball, football, softball, volleyball, weight training, dancing, golf, and carry-over activities. A knowledge of the rules, techniques, and strategy in these activities is taught and expected. Safety skills, proper social standards, respect, co-operation are some intangibles which can only be gained in a working atmosphere of activity with peer and authority. There are study units on health habits, first aid and school and community health through the medium of specific class instruction.

Fine Arts

An ever expanding and highly regarded department in the school is the Fine Arts Department which includes courses in art, drama, and music. Such innovations as the film making and production classes are now in full swing and serve as catalysts for new additions to the broad spectrum of fine arts. In the art division of the department Ceramics, Sculpture, History, Drawing and Painting, Costume and General Design, and the Graphic Arts are some of the exciting courses offered. The drama division is well known for its outstanding performances and is interested in acquainting the student with historical as well as contemporary theatre. Forensics, too, is included in this area and is a very competitive branch of the department. It not only performs at school events but competes in tournaments at other schools. The music division is extremely active and includes the orchestra, band, choir, Madrigals, and Minnesingers. They attempt to develop an interest in good music by offering an opportunity for participation in varied musical experiences.

There is a well developed Advanced Placement program and Honors Program in both Chemistry and Physics. An excellent and interested faculty stressing all levels of scientific approach is good reason why this department has received such high acclaim.

Many students will miss the sight of a familiar face around campus next year. Head of the Science Department, "Doc" Herbst, as his students call him, will end his years at Beverly this June.

We appreciate his devotion and remember him for the wonderful rapport he had with his students.

1946

Head of Beverly's Social Studies Department, Mr. Quandt, has inspired students to become independent thinkers and useful citizens. This year his distinguished career comes to an end.

Beverly is proud to have had such a dedicated and conscientious instructor. We will certainly regret the retirement of such a man.

The main purpose of Political Emphasis Week is to make Beverly students more aware of the changing political scene around them. To this end, members of all major political parties were represented on campus in noon forums designed to give the speakers a chance to express their views and the students

time to question them. Many interesting ideas were developed by speakers such as Paul Jacobs from the Peace and Freedom Party; the Democratic #3 nominee from the C.D.C., Henry Waxman; and the representatives from the Democratic, Republican, and American Independent parties.

After the hurried flurry of the Albion Street Drive during which over \$850.00 was collected, the Boys' and Girls' League cabinets went to spend the day with the children of Albion Street School and to help them celebrate Christmas. Every child received presents and candy from Santa and his helpers, some of whom are pictured here. The happy smiles and sad goodbyes were fitting rewards for a day well spent.

DRAMA

The Shakespeare Festival

One of the year's major auditions was for the annual Shakespeare Festival at U.C.L.A. Scenes presented were from "King Lear", "As You Like It" and "King Henry VIII." The Festival constitutes one of the most beneficial opportunities enjoyed by the Drama Department, to meet and compete with actors from other schools.

As You Like It

Pat Goldstone, Casey Hendler, David Holmes, Patti Field, Sondra Gibson, Alan Crandall, Andy Israel, Brooke Palance, Rick Nierenberg, Toni Wager, Larry Cohen.

King Lear

Paula Brand, Rick Jerome, Camille Cushing, Jeff Angus, Geoff Shlaes, Patricia Cummings, Steve Carey.

"Albert's Bridge" by Tom Stoppard was this year's entry in the San Fernando College One-Act Play competition. A highly intellectual abstract play, "Albert's Bridge" demanded a great deal of work, both in acting and special technical effects, such as about 80 projected color slides.

"The Fantasticks", starring Patricia Cummings, Geoff Shlaes, Larry Cohen, Steve Talkin, Andy Isreal, and Lor Kellog, and featuring Erin Clarke and Michele Art as mimes, was a high point in this year's Thursday Theatre Program. As a matter of fact, the play was such a favorite that the Madrigals took it to Hawaii on their tour.

in the spring

Lady Audley's Secret

The drama department paid its homage to the traditional melodrama with the spring play, "Lady Audley's Secret". The plot of the play, a la 19th century Peyton Place, was overplayed to the "point of camp" to harmonize with olio acts in which the actors broke character to sing and dance in such well known ditties as

"the Jenny Lind Mania". Great fun was had by all in rehearsal and performance, particularly the leads who were Sandra Gibson (Lady Audley), Jim Hayden (Sir Michael Audley), Patricia Goldstone (Alicia), Michael Dare (Robert), Rick Nierenberg (George), Larry Cohen (Luke), and Lisa Susman (Phoebe).

During the first semester, we saw only a few assemblies due to the construction in the auditorium. You made me so very happy -
I'm so glad you came into my life.

This club is open to all students who are interested in promoting world peace and international friendship through the study of international affairs. Programs include debates and panel discussions which promote understanding of other countries. Each year Beverly Hills parents take into their homes boys and girls of foreign countries who spend a full year studying at our high school. The 1968-1969 A.F.S. students have been Ricardo de Monterosa from Brazil and Lita Casakin from Argentina. We have certainly enjoyed meeting and knowing them.

minnesingers

The Minnesingers rehearse and appear in programs as a separate group and also combine with the Madrigals to form a concept choral type of organization.

They perform in Century City along with the Madrigals and accompanied them to Hawaii. In this way, the members obtain the routine training necessary for possible future membership in the Madrigals.

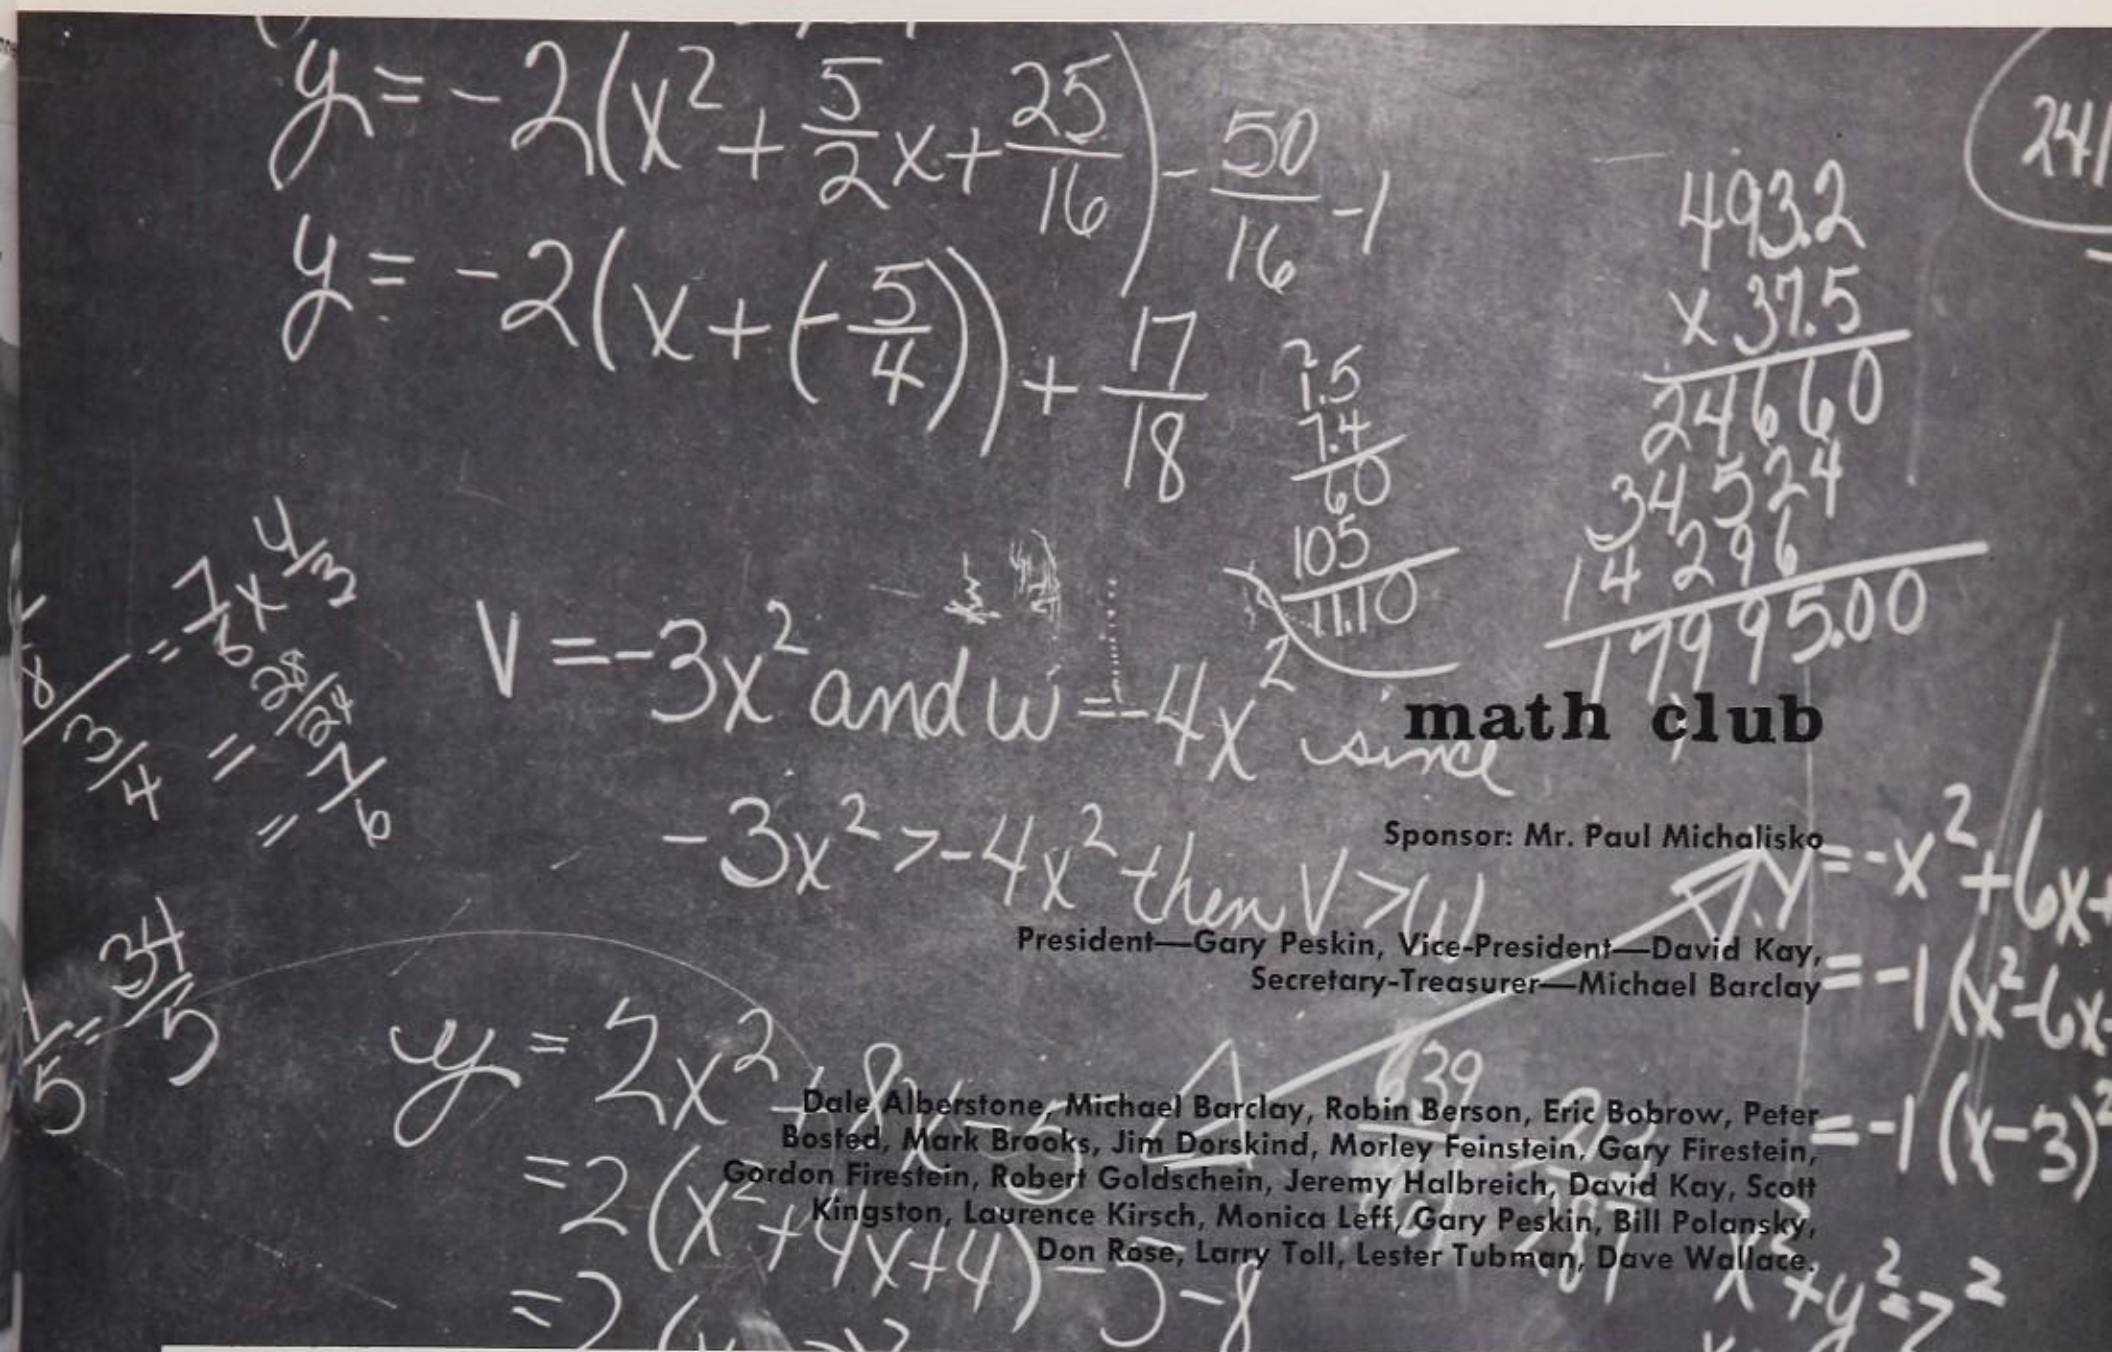

madrigals

The Madrigals is a group of select singers who appear in special dress at many concerts and entertainments in and out of the Beverly Hills area. Their repertoire is varied to include all periods and types of song literature. They annually sing in Century City during the holiday season. This year they visited Hawaii presenting programs on the various islands.

Beverly fans were thrilled this year with tremendous play from a team that must rank as one of the finest in the school's history. The recent success of Norman football must be contributed to Head Coach Dick Keelor and his fine staff who brought Beverly from a winless season to the CIF Playoffs in just four short years.

This year's offense which averaged over 25 points a game, was powered by nine All-leaguers. The defense also had nine All-leaguers and held their opponents to only about one touchdown a game while boasting four shutouts.

This year's backfield was piloted by Penrod Vladyka, the All-league quarterback who completed 12 touchdown passes in leading Beverly to its first league championship in over a decade. Running backs Lindsay Wellman and Dick Felton also earned All-league spots with 11 and 10 TD's respectively. Lindsay's efforts also won him Player-of-the-year honors in the Pioneer League. Beverly also had flashy Peter Bourne and Steve Wasserman as standout receivers and a line boasting such bulwarks as Geoff Schlaes, Mark Wiseman, Phil Savenick, Ed Fishbein and Harry Trotter.

Defensively the Normans were unconquerable. With the exception of 40 seconds in the Culver game they were not behind to any team until the season finale. The line was the story and Kevin Cahill, Jeff Steinberg, Mark Wiseman, Steve Wasserman, and Geoff Schlaes all earned All-league spots. Geoff was also voted to a pre-season All-California team and a national magazine's All-America team.

The backfield was equally as good as the line with linebacker standouts Benet Rutenberg and Lindsay Wellman. The backfield gathered in 22 interceptions with Bill Weisberg and Rick Smith leading with 5 each. Kicker Mark Vladyka set a team record with his 27 extra points.

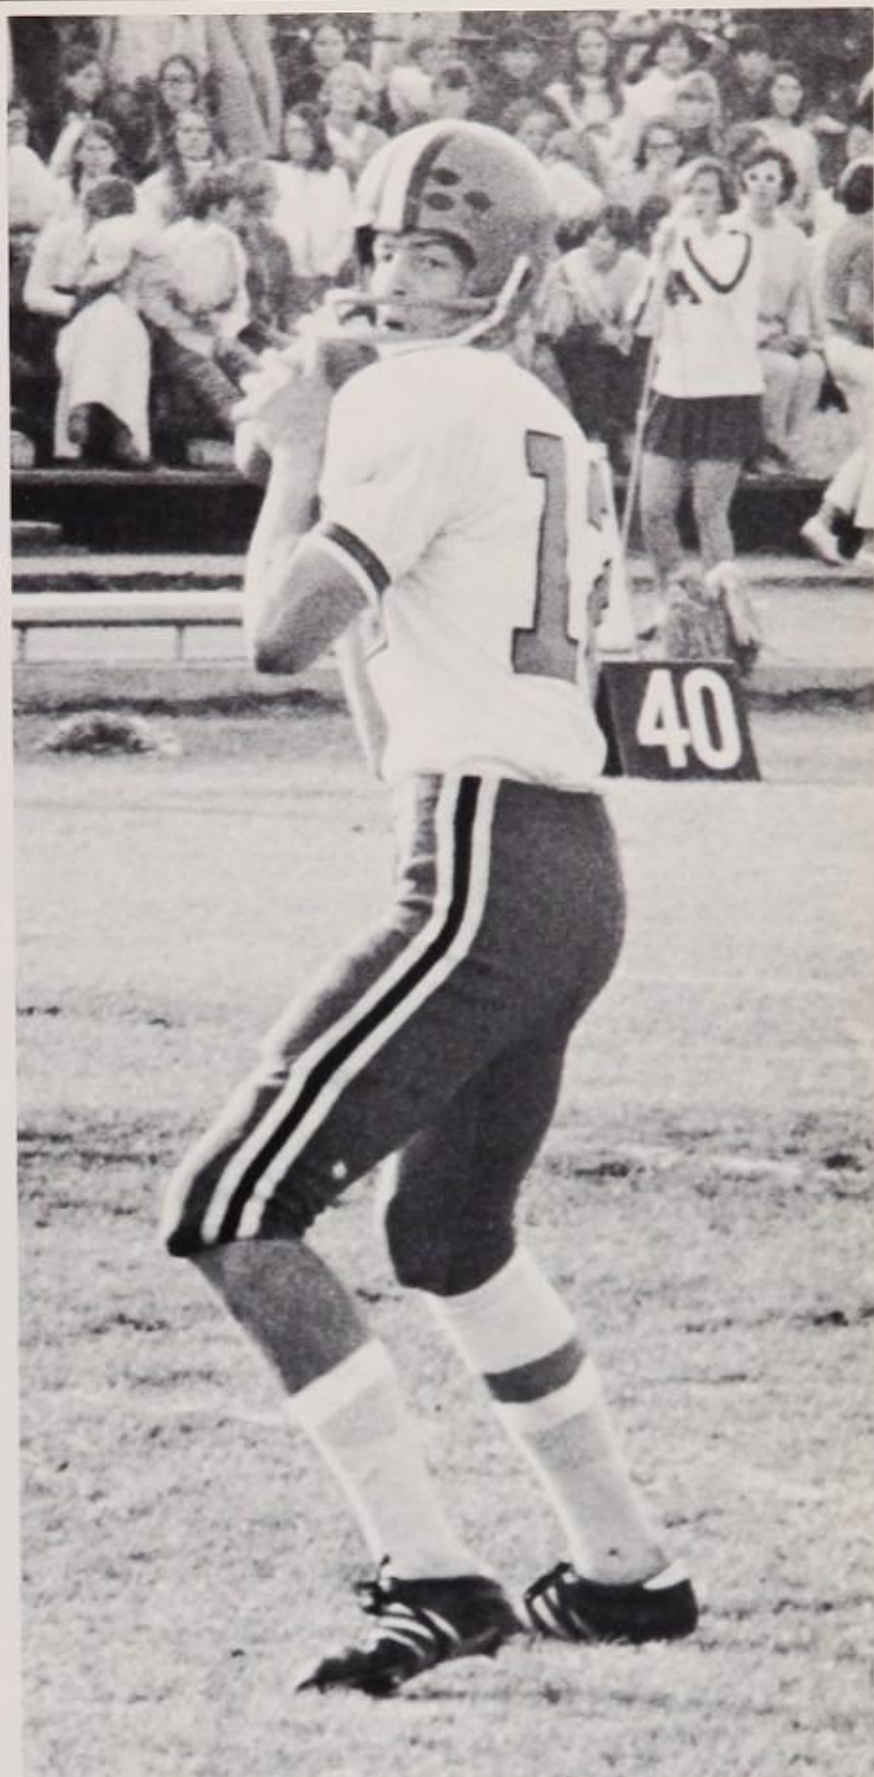

Even though the final football polls ranked Beverly sixth, every Norman could still hear the chant of "We're number one".

Steve Wasserman almost blocks the pass.

Coach Dick Schreiber's Bee team was faced with tremendous competition in the switch to a new league this year. The team responded with strong performances but could not break the win barrier more than once. The valuable skills and knowledge gained by Bee players under pressure will provide a strong basis for winning teams in the future. The Bees showing the greatest Varsity potential were offensive powerhouses Steve Kessler and Tom Troesch and defensive stalwarts Terry Mathers and Hal McAlister.

Coach Flanagan's "C" Football team showed continual improvement throughout the season this year. Although the team had only one win against seven losses, the valuable experience gained was more important than the season's outcome. Freshman Charles Watt showed himself to be an outstanding prospect at quarterback, while Carlos Yeaggy proved himself a bruising ball carrier at fullback. Scott Hoag demonstrated extreme versatility on defense and was sided by linebacker Joey Sutton.

Over the years Beverly Water Polo teams have maintained a high standard of excellence. This year was no exception. The Normans dominated the Sky League as few teams ever have. Led by the Sky League's Most Valuable Player and All CIF choice Dennis Needleman, the team notched six straight victories. In the process Needleman broke all school scoring records with 118 goals. A large part of the almost 16 goal a game average the team carried can be attributed to the fine play of all-leaguers Dave Wallace, Stan Schwimer, and Doug Erenberg. Second team all-leaguers Ken Chernove and Albert Manopla also played key roles in Beverly's drive to the League Championship.

Coach Richard Douglas directed the team to a number of big victories. The poloers took third place in the Buena tourney and for the first time defeated arch rival El Segundo.

For the second time in as many years, Beverly poloers advanced into CIF playoff competition. Again the team readily won the first game but lost to powerful Buena in the second.

6

7

The Bee Poloers splashed their way to a 7-7 record. Al Crandall and team M.V.P. Ed Schnitzer provided the scoring punch while Bruce Goldsmith and Mike Hayutin paced the defense. The Bees were at their best in league where they finished second with four victories and but two defeats.

1

2

The Cee Team finished third place in league as the result of long hours of dedicated practice.

Chick Schneider and Dave Rosman provided the scoring strength in the team's overall 6-6 record. Coach Douglas looks to these young poloers for strong teams in the future.

For the first time in many years, Beverly's Cross Country season cannot be passed off as just a "building year." The varsity harriers had an overall winning record, and even their disappointing 2-3 league record can be overlooked when viewed in respect to three previous winless seasons. Two of the league's finest runners were Bob Stein and Simon Langer. Langer's superior running qualified him for C.I.F. competition.

The Junior Varsity was the most successful Cross Country team in Norman history. Their 5-0 record led the league and only the league's inequitable scoring system enabled Aviation to push them into second place. It was the fine running of seniors Paul Diamond and Warren Skang that paced the Normans.

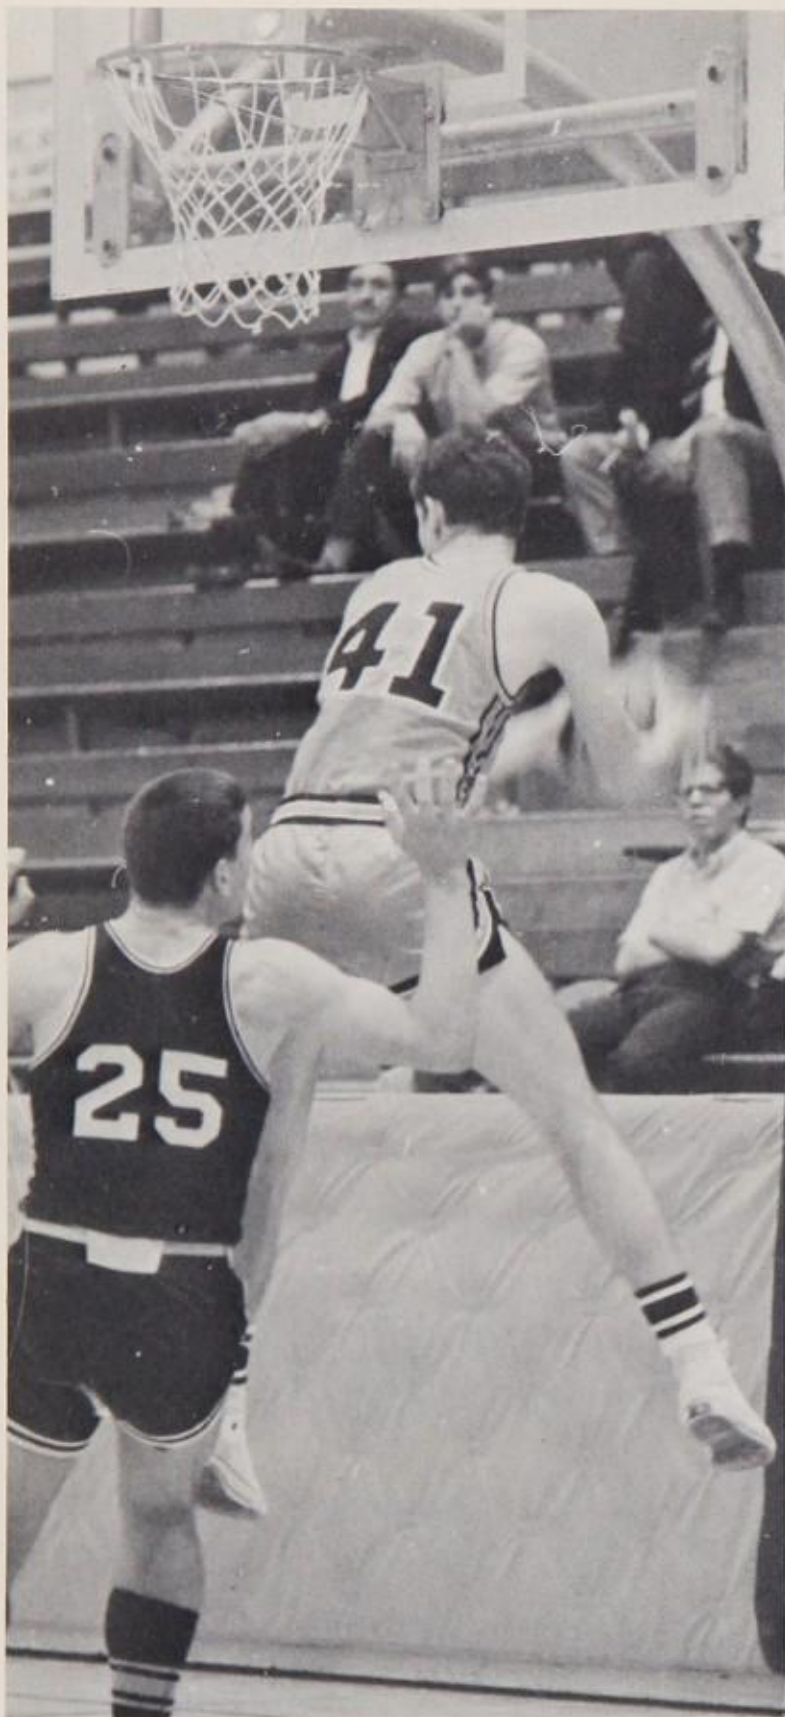

The Frosh-Sophs showed great promise for future years. They displayed fine running style while compiling a 3-2 record.

Opposite the Coliseum, south of the Harbor, stands the old arena where NBA giants once battled to the delight of thousands of screaming spectators. Thousands of vociferous fans filled the arena as in olden days on the Ides of March to see if fourteen Norman players and a Coach called Reilly could conquer the strong men of the North, the Santa Maria Saints. Caesar and his fellow warriors proved too strong, too fast, too sure-handed, and too united for the Northerners. With a 74-62 victory the CIF crown was brought to Beverly for the first time in history.

The road to the championship began early in the season when the Normans played in the finals of the Pacific Shores Tournament and the Beverly Hills Invitational. Outstanding performances by giant Rick Caesar and fierce Jason Newman earned all-tournament positions for both. In League there was no stopping the Norman powerhouse. Ed Carman's and Ed Burrus' inspired play against Aviation on television brought victory to the team in a game that went into five overtimes. Ten straight victories gave the League Championship to Beverly. First team recognition was awarded to Jason Newman and Jim Tough, whose soft touch from outside also put him on the CIF all-tournament team. Ed Carman and Ed Burrus were second team choices. The League's unanimous pick for MVP was Rick Caesar. The greatest tributes to a fabulous season were the 26-5 record and an 88 point per game average compiled against intense competition.

An exciting J.V. team streaked its way to ten straight victories and a pioneer League Championship. The team was in constant motion from the time springy Warren tournament MVP Tony Jonas grabbed a rebound until one of the lithe guards, either Fred Wolf or Bob Lesser, both Loara All-Tournament players, scored the layup. Adding strength on the backboards were the two agile forwards, Bob Walsh and Gary Acheatel. The team executed the consistent fast-break that has characterized Coach Dick Schreiber's offense for years.

The Norman Bee team started slow with an unimpressive showing in the practice season but gained momentum as league play began. Coach Gerry Carpenter's first place finish in league showed eight victories and two defeats, one being an overtime loss to Lawndale on the road.

The Bees, playing a fast-break offense, were led by Bob Levine, Jim De Witt and Randy Newman. From his center position freshman Keith Steinbaum showed great poise and future promise while leading the team in scoring and rebounding.

A daring quick moving brand of basketball was the Cee team's greatest weapon against a sometimes overwhelming height disadvantage. Coach Jack Reilly in his first year at Beverly guided the team to an even record in pre-season play and a third place finish in league. Brad Globe, a 5'3" guard with a deadly accurate jumpshot, kept the team moving with his dextrous ball handling while Mike Hochman, a strong rebounder and the team M.V.P. provided most of the scoring with his driving layups and outside shots.

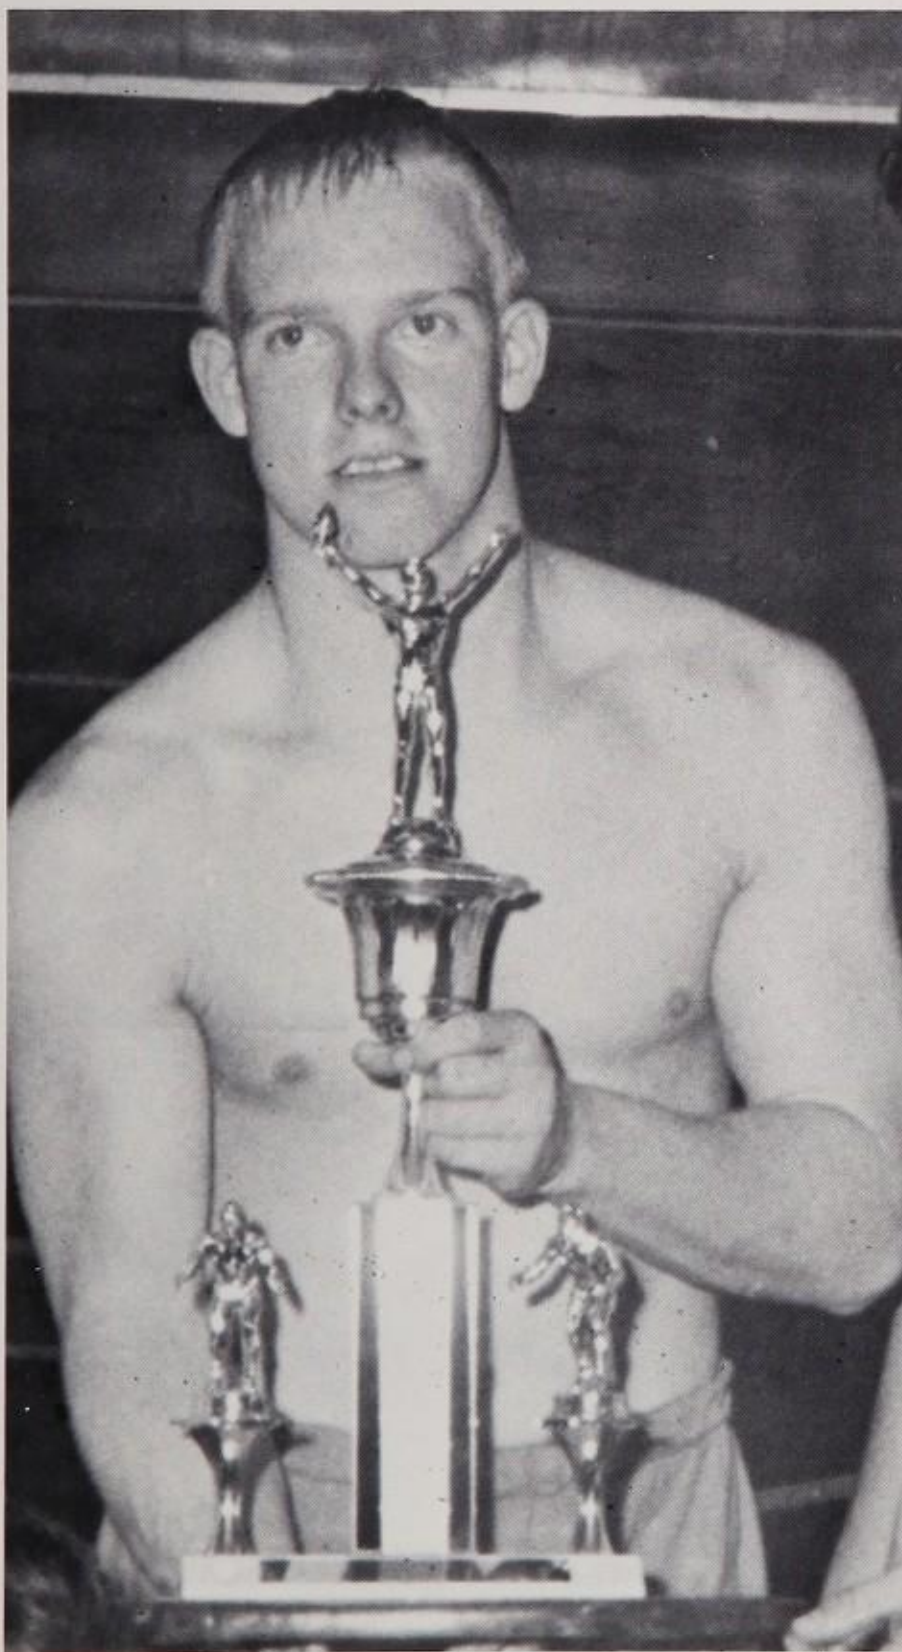

1969 saw the culmination of Beverly's mat renaissance. A Sky League doormat when Coaches Dick Keelor and Ben Bushman arrived here four years ago, Beverly has developed into the dominant power in the Pioneer League. Winning medals in ten of thirteen weight classes, the Normans clearly outdistanced the other five league schools for their first Wrestling Championship.

Taking championship titles in league were Scott Harris, who lost but one dual meet; John Mayer, undefeated in dual meets; and Tony Adragna, who also was champ at the Simi Valley Tournament. Mike Cahill, Bill Kalivas, Captain Peter Bourne, and Bob Jones, garnered seconds. Neal Konheim, Leigh Cohn, and Ken Gibble, rounded out the scoring with thirds. Burke Cahill, injured during the league tourney took a fourth at El Camino's competitive tournament.

The 1969 Norman Varsity track team was without a doubt one of the most successful in Beverly's history. Under the watchful eyes of head Coach Chuck Kloes, the team has progressed into what promises to be an undefeated season. Not only have the victories been numerous, but impressive as well. In successive league meets they defeated Lawndale 98-20 and Lennox 95-22. The star-studded team was captained by Noel Weiss and Marc Shore, sprinters who consistently came up winners. The fine hurdling of Dick Felton and Clark Young also proved reliable as point earners. Other outstanding performers were Simon Langer and Ross Pearl in the distances, Peter Ng in the long jump, Jeff Weber in the high jump, Lon Levin in the shotput, and the pole vaulting of Brian Mekelburg.

Tony Rubin in diving and Stan Schwimer in free style will be the most consistent winners. Albert Manopla, Dennis Needleman and Paul Silverman will make important contributions to the team's success. The team will be one of the top contenders for the league title.

BEE TEAM

Eleven dedicated Bee swimmers will have strong entries in every event in every swim meet. Leading the team will be Sophomore Dave Feder, Junior Ed Schnitzer and Senior Tony Frank.

The Cee team will be building the nucleus of future Varsity squads. Three young swimmers have already shown great promise in early meets. Chuck Eberly, Tom Markovits and Tom Rouse have been the team leaders.

With the loss of four lettermen, the Beverly tee-men will need consistently fine scores from captain Rick Smith, Sheldon Sherman, Phil Berman, and Steve Katz, to be a contender for the league

title. In one of the strongest leagues in CIF, newcomers Albee Katz, Albert Owens, and Matt Steinberg must have low scores for the linksters to capture the league crown.

- 3) Tennis Team: Patty Avchen, Joan Blackman, Stephanie Blank, Eileen Cohen, Nancy Himel, Patrice Hirsch, Gail Katz, Lee Keiter, Debbie Kranze, Lori Kranze, Wendie Miller, Meredith Most, Christie Petterson, Ulrike Riegler.

The benefits of last year's innovations in GAA were very evident this year. Beginning in the fall, the Volleyball and Tennis teams placed second in their league. The Basketball team went on to garner a first place berth. Track and Softball rounded out the year with fine performances. The Officiating Club operated during the whole year to give valuable assistance during the games. The Folk Dance Club provided the entertainment at the GAA Banquet and the Terpsies presented the Command Performance with the Fine Arts Department in the spring.

Dear Sam -

It's been two years since we met -
I like you more as time goes by! Best
of luck - See ya next year

Mr. Lawan

I am,
Good luck in your next
two years at Beverly
I hope you are successful in
everything you do. Have fun if
you like Physiology!
Jusie Housner
